"At Joey G's Pizza we put our heart and soul into our food. We take the time to create all our sauces from scratch and make our own Italian sausage and Italian Beef. All our vegetables are cut fresh daily and our Pizza Dough is made daily. Our Mozzarella is aged to perfection and is our own special blend! Our food may take a little more time, but we want to ensure the best quality possible. We have only one principle at Joey G's Pizza: We guarantee great food at a fair price with consistent quality you can count on at every visit for years to come. We think you'll agree."
