

All Things Kids, Inc. will price, sell and pay you 50% commission on your gently used clothing and accessories. Please use the following guidelines when dropping off your quality used items:

Bring your BEST 30 clothing items once a month without the hassle of needing an appointment (outfits only count as 1 item).

Please have items neatly folded, no stains or excessive fading, no pet hair and odor free. Items may be brought in a laundry basket, Rubbermaid crate, box or paper shopping bag. **NO garbage or plastic bags, PLEASE!**

We will do a quick check of items when you drop off to make sure there are no holes, stains, fading, odor etc. We will send any 'no thank you' items home with you at that time. Items will then go through a final review for pricing. We will price approximately 1/3 of "new" price depending on condition.

Toys, books, games, equipment & furniture can come anytime. ALL items must be CLEAN and have working batteries. No exceptions. Items with multiple pieces must be in clear bags grouped by set.

We check ALL toys, books, games, equipment & furniture for recalls on the Consumer Product Safety Commission (cpsc.gov) website.

As each item sells you receive 50% of the selling price in your account to use as store credit, take out cash or check.

Drop offs may be done Monday thru Saturday 10am-5:30pm

Should we determine that an item received is not able to be sold due to unforeseen condition or recall, we may contact you to request prompt pick up of such item(s). We only give ONE call to pick up returns with a date and time to pick up by. If items are not picked up, they will be donated. If you cannot pick up by day & time given, it is YOUR responsibility to contact us and let us know when you can pick up.

Consignment Account Service Fee: \$2.00 per month for all ACTIVE accounts (effective 3/1/2015)

Other Reminders

- You may stop by the store, call or email us at anytime to check your current balance.
- Items will be available on the sales floor for one whole season. After that time, items will be marked down at the discretion of All Things Kids, Inc. and may be donated to local charities depending on current inventory and space.
- We currently consign boys & girls preemie through 12 youth and all sizes of maternity.
