

A LETTER FROM AL

We've been thinking a lot about you lately-our customers, our employees, and our greater communities. Your health and safety are our top priorities and at the heart of every decision we make.

We believe it's critical to do our part to help reduce the transmission of COVID-19. Here are some of the steps we are taking to protect everyone in this time of uncertainty.

1. Delivery of mulch will continue Monday - Saturdays. Payments will need to be made prior to delivery by credit card or online options. No contact will be made with you during the delivery process.
2. Team members will arrive in separate vehicles when installing mulch at your property.
3. No physical contact will be made with you during the time we are working on your project.
4. If you have questions or concerns about the scheduled work to be done, please call the office 630.653.1661 or email me at Al@We-Mulch.com
5. If you do Not want us on your property, please contact us and we will reschedule your project for future time.
