

## WHO WE ARE

The First State Bank of Forrest in Mahomet, Illinois, is a full-service, modern style branch originally based out of Forrest, Illinois. At the First State Bank of Forrest, we strive to build long-lasting, trusted relationships with our clients. We deliver exceptional customer service, as well as insight to your personal banking needs. We also offer competitive loan rates, as well as perquisite on specific checking and savings accounts. In short, we create efficiencies that result in additional money in our customer's pockets.

## WHAT MAKES US DIFFERENT

Our approach to building long-lasting relationships with our clients also collaborates with the upcoming contemporary style of banking. We strive to find the financial products that fit your lifestyle, assist you in purchasing a new home, help farmers carry on their legacies with our agriculture loans, fund what you need to grow your business, optimize what CD rates are best for your family, and offer you an array of checking and savings accounts with endless rewards.

Our modern style branch sets us apart from any other bank in town. Instead of an archaic teller line, The First State Bank of Forrest utilizes cash recyclers in place of teller drawers. Essentially, we have machines that take in and dispense cash.

## WHY ARE WE HERE

Mahomet is a growing farm community, right outside of a college town. We have always been a place where strangers are friends, and friends are family. Get to know the team of our newest branch in Mahomet! We are here to help you with any of your banking needs!
