

McNeill Signs, Inc.

Serving Florida Since 1956

McNeill Signs, Inc. is dedicated to assisting the business community with its corporate image and obtaining high quality signage products that attract attention, communicate a message, and leave long lasting impressions. We strive for excellent customer satisfaction and service so that we may earn the privilege of becoming a customer's sign professional for a lifetime.

SALES - McNeill Signs, Inc. offers free design and estimating. Our Sales team is highly skilled and has many years experience within the sign industry. They will assist you with effective sign placement, color, and lighting for optimum legibility. They will be the link between you and government agencies in procuring and obtaining permits, making certain that your signage is in compliance with all local laws, codes, regulations, and ordinances.

DESIGN - Our Design team can provide you with unique and innovative designs to satisfy your advertising needs. From simple to intricate custom designs, our Design team will create signage that stands out from all the rest.

MANUFACTURING - Our talented craftsmen fabricate signage in-house using only the highest quality materials. We are a full service, UL approved manufacturer that fabricates signage using the latest state-of-the-art equipment.

INSTALLATION - All signage is installed by McNeill Signs, Inc. to our own rigorous standards as well as those of your local municipality. We specialize in high-rise installations, wall signs, pole signs, vinyl graphics, face replacements, removals, rewires, retrofits, flagpole installations and shipped-in national brand signage. Engineering and permitting are provided.

SIGN SERVICE AND PARKING LOT LIGHTING - Our knowledgeable and experienced service technicians provide service on a daily basis. We recognize the value of your signage and will repair, relamp, repaint, replace parts, rewire or clean your signage as needed. Image does matter - let us help you convey a positive one!
