# Christian Love

AGENT // CUSTOM HOME DESIGNER

**When I want pasta, I don't go to Olive Garden – I go to Barino Italian Southern Eatery where they make their pasta daily. When I want the best advice on feed for my horses, chickens, cats and dogs, I go to Columbia Farm Supply where they know me by name as well as my animals.**

**When you want a home or farm in counties south of Nashville, entrust your dreams to me, Christian Love. In my previous life as a teacher and soccer coach, I taught at Zion Christian Academy in Columbia and Grace Christian Academy in Franklin. Peak life experiences include climbing the highest peaks in the continental US in winter, playing soccer for Franklin High during the glory years while we were ranked top in the USA, winning National championship titles in endurance horseback riding, and giving birth and raising my two beautiful young adult children who were born at Williamson Medical Center in Franklin, TN. A Tennessean since I was a child, I can find you the right home, farm, bank, school, plumber, auto mechanic and yes, even the right pasta.**
