## Consumer Supported Agriculture; CSA

Do you enjoy farm fresh flowers? European Market style bouquets?

Want to support a local farm operation, you can do just that by purchasing a share of the 2023 crop from our flower farm.

You will receive a farm fresh market style bouquet every Friday during the growing season at our farm. Each bouquet is hand crafted for you weekly which you will love seeing them in your home. By participating in our CSA program, you are supporting shop small business and a local farming. We look forward to sharing our crop with you.
